# Connecting to WiFi at Castle Hill HS
Windows 8

1. Select the "nswdet" WiFi and click "Connect"

2. When prompted, enter your Student Portal (internet) account, with **@DETNSW** at the end of the user name

3. When prompted with this message, click **Connect**

4. It will prompt you again for proxy credentials. Simply input your internet credentials as before without @detnsw
5. Navigate to the Edge Portal Landing Page at **detnsw.net** and enter in your Student Portal credentials.
