Connecting to WiFi at Castle Hill HS Windows 8

1. Select the "nswdet" WiFi and click "Connect"

IF YOU CANNOT SEE THE NSWDET WIFI, YOUR DEVICE IS NOT CURRENTLY COMPATIBLE WITH 5GHZ WIRELESS AND A USB WIFI DONGLE IS REQUIRED

2. When prompted, enter your DEC PORTAL (internet) account, with @DETNSW at the

end of the user name

3. When prompted with this message, click **Connect**

4. After clicking **CONNECT**, you will need to enter your **DEC INTERNET LOGIN**
