Sign-in options

4. You should now be signed into your Office 365 Dashboard

5. At the top right click **“Install Office”** then click **“Office 365 apps”**

6. Once download has finished, run the downloaded installation file and follow the prompts

Just a few more steps...

- 1 Click Run**
Click the Setup file at the bottom of the screen.
- 2 Say "yes"**
Click Yes to start installing.
- 3 Stay online**
After installation, start Office and sign in with the account you use for Office 365:

Close Need help installing?

The image shows a three-step installation guide. Step 1: A screenshot of a file explorer window with a 'Setup...' file selected. Step 2: A screenshot of a 'Yes' dialog box. Step 3: A screenshot of the 'Activate Office' screen. The guide is presented in a clean, instructional style with numbered steps and clear instructions.
